

Open-Source Psychometrics Project

([home](#) · [about](#))

These are results from the [Statistical "Which Character" Personality Quiz](#).

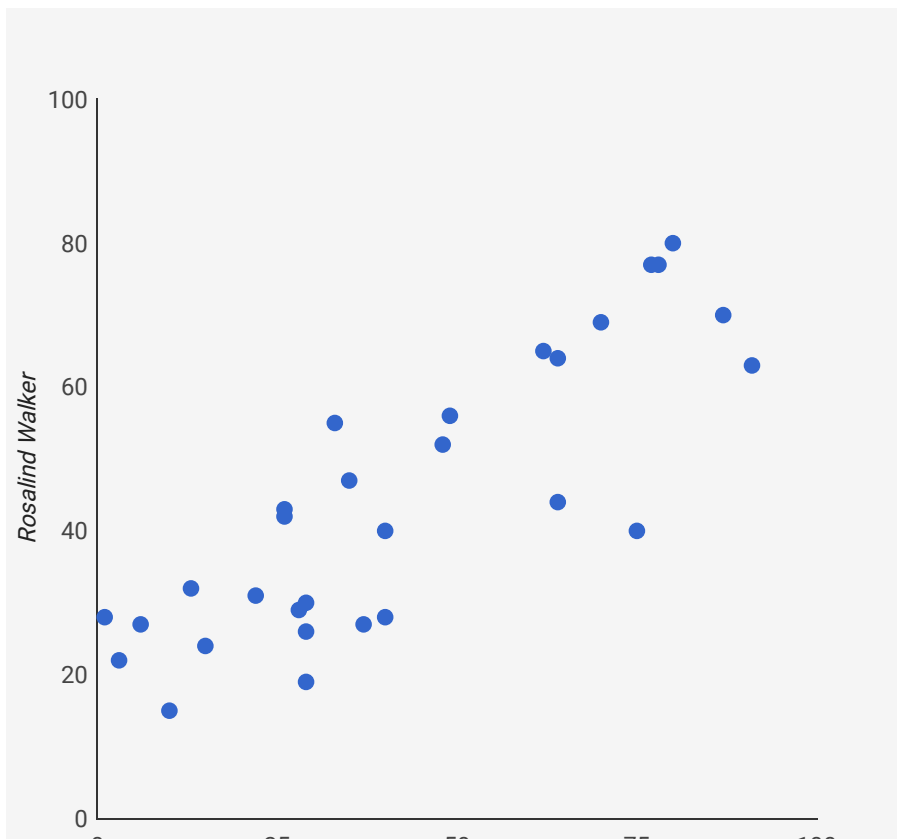

Universe: <input type="text" value="[All]"/>	Algorithm: <input type="text" value="Pearson correlation"/>
--	---

The best match between the self assessment you provided and the profile of a fictional character as rated by other people who have taken this survey is the character **Rosalind Walker** (Chilling Adventures of Sabrina).

92% match

Your traits versus their traits are graphed below (click on points for labels).
